

2025 Great Lakes Region Most Awarded Scholarships

Greetings Sorors, Amicae & Youth of the Great Lakes Region!

We are delighted to serve as the Chair and Co-Chair for the Regional Awards, working with all the committees to bring you an excellent presentation of awards during our award banquet on Saturday, May 17, 2025.

As you prepare for our Great Lakes Regional Conference to be held from **May 15, 2025, through May 18, 2025**, we invite you to participate in the third Annual Most Awarded Scholarship category for this conference. The category of **Most Awarded Scholarships** will be for the Fall 2024 or Winter/Spring 2025 academic semesters.

We would like to recognize your commitment to our principle of **Scholarship**. We hope each Zeta chapter (Graduate and Undergraduate), Amicae, Youth, and Zeta Male Network auxiliary/affiliate representing the Great Lakes Region will participate in this award category.

The following criteria and guidelines have been established to assist your chapter and auxiliaries/affiliates with submitting your scholarship-awarded information.

Submitting Your Information:
